A “Flee” Epidemic in the Harvest Fields

I sat across the grand office desk of DeCarol Williamson as the president of Family Christian Network (FCN) in Costa Rica unsuspectingly told the story of how our lives and ministries had been connected by Divine revelation. Two years earlier, Mr. Williamson was approaching an auditorium where over 5,000 people were gathered for his address, when three young people in the milling crowd caught his eye. He was immediately compelled to pray for them, but the words he spoke shocked him. He boldly stated that the young man and his two sisters would be *the ones* who would open the doors to *a spiritual awakening* throughout the Spanish-speaking world. The crowded auditorium hushed just before DeCarol took the stage, but unbeknownst to him, the three siblings he had just prophesied over took the stage with a harmonious Hebrew melody that took his breath away.

DeCarol asked me, “Would you like to hear them sing a song in Hebrew? They are now in charge of my recording studio here at FCN.” Calling them into his office, a three-part harmony filled the room with “*The Prayer to Our Father*” in Hebrew. Now, *I* was shocked. These three were not strangers – I had met them a half-hour earlier as they excitedly told me their testimony. Their father was the pastor of a congregation in Mexico when someone gave him my Spanish DVD series: “*Las Profecias sobre las Fiestas del SEÑOR*” (“*The Prophecies in the Feasts of the LORD*”). It answered the questions that had haunted him for decades. He immediately repented from his paganism, embraced the Sabbath, started celebrating the Feasts and taught their prophetic significance to his children, and began carefully leading his congregation out of Babylon. “You have changed our lives,” they stammered ecstatically as they each hugged me. It was, in fact, the Spanish *voice* of the man sitting next to me, Roberto Umaña, that had reached into an obscure village in Mexico to transform the life of a Christian pastor whose obedient children are now in a critical position to provoke an *awakening* to the *unleavened* Hebrew roots of the faith. They are now *messianic* junior executives at FCN, the most-watched Christian television network in the Hispanic world.

THE HARVEST IS PLENTEOUS... At the time of this publication I will have finished a very exhausting speaking itinerary in Costa Rica and will be in the midst of another journey in Argentina. The Argentina itinerary is the result of the Divine appointment I had in Milan, Italy last winter when I *mikveh-ed* an entire Italian family in the icy Adda River. They had obtained the Spanish DVD’s while living in Argentina and were pressing us to personally minister to the saints who had originally introduced them to the Feasts of Yahweh via our ministry. Paola Manucci is flying to Argentina from Italy to escort Walter and Florence Alpizar (my *live* Spanish interpreter and his logistical-genius wife), Johnny Jermyn (my one-man road crew/videographer), and myself as we traverse the country on a whirlwind tour of apocalyptic proportions.

THE HARVEST IS PLENTEOUS... I am currently pushing past my physical limit on these teaching itineraries as we speak, translate, and prepare to print and produce more of our materials into Spanish. Two weeks ago I was in Germany, Switzerland, and Belgium, where they are pleading to have our work produced in their mother tongue. We had a pastor from the Congo bring his family from London to the venue in Belgium. Doors are opening around the globe, and we are running through them as fast as we have the physical and financial ability to do so.

THE HARVEST IS PLENTEOUS... so say ye not one to another, “We must now run to Petra” – for Petra is yet afar off, and we have been given a job to do, which is yet far undone. Fear not those who insist that ye must now move to the banks of the Euphrates River – to the very land promised to the sons of Israel – for the Almighty will go before you to clear the

land of its inhabitants, and ye shall dwell in the gates of your enemies in that day. Hearken ye not unto those who say, "Flee ye here, or flee ye there!" for whithersoever ye flee, surely there will be many who flee from thence, until all the earth is thus filled with fleers who know not why they have flown and shall swiftly come again to the place from whence they have flown in haste. (II Opinions 20:10)

Does this pseudo *king james* English help you understand how ludicrous this new "fleeing" doctrine is? Let us all GET TO WORK right where we are! FEAR NOT!! **Until** the Ark of the Covenant is revealed and the (renewed) Covenant is confirmed, the starting gun for the **last shavua** has not sounded – and the **earliest possible** date for this event is Yom Kippur 2010. Furthermore, the lunar and solar eclipses in the upcoming years ARE NOT the time of the return of the Messiah. "The sun shall be turned into darkness and the moon into blood BEFORE the great and terrible Day of Yahweh." When is **BEFORE**? Exactly! The signs in the heavens are for the **alert** believers who understand His times and His *mo'adim*. He will fulfill His Feasts to the very day, the very hour, and the very moment of their prophetic rehearsals instituted by the Prophet David. Do not let the movie "2012," "lord" maitreya, or the easter bunny scare you.

THE HARVEST IS PLENTEOUS... And we **need** at least two more video editors ASAP to produce the material we will be seeding into the nations where the followers of the Messiah have been commanded to go with the **leaven-free** Gospel of the Kingdom. I NEED HELP to enter into these *harvest-ready* fields. CAN YOU HELP? **I personally do not need anything**. My health is steadily improving, and I was able to stand for four hours each night and pour it all out in Costa Rica. But can **you** do more for the mission that the Messiah thought worthy of giving his life for? Can you give so that we can sow DVD seeds throughout Central and South America? We have just completed the Spanish translations of "**The Mystery of Iniquity**" and "**The Pagan/Christian Connection Exposed**." Europe is begging for the same. Do you have some **unnecessary something** you can sell in order to donate the proceeds to publish these books in Spanish or to **rent** me another editor? Now is the time to work – the night cometh. *Eternal rewards* are the only things that **last forever**. Yahshua is pleading with you now for the souls of the multitudes who are hopelessly inured in Babylon. You came out – can you help me rescue someone else???

I don't smell too much smoke yet...

Michael Rood

P.S. For nine years I was not allowed to meet with DeCarol Williamson – until our ministry was cleared of residual leaven. I asked for five minutes, yet an hour later I left Mr. Williamson's office with his promise to pray about our future with his Spanish network, as well as with the African and China networks currently under construction. I promised to begin remastering our programs in anticipation of Yahweh giving him a positive answer to his prayers. Please pray with us!

I would like to send you the first DVD in a series of three interviews **The Last Word on the Creator's Calendar... Part One**, that I did in the Aviv Moon Studios with Nehemia Gordon and Glenn McWilliams concerning the Creator's Calendar and the upcoming search for the *aviv* barley in the land of Israel. You will not want to miss a single episode of this three-part series – and you will be the first to see and hear the answers to questions that are stirring the psychopathic synapses of the novice neo-chronologists who produce *new ideas* faster than bacteria breeds in a Petri dish at the biological warfare facility at Fort Detrick, Maryland. If you enjoy this interview as much as I expect, you will be clamoring for the rest of the series faster than we can produce them. Please be as generous as possible.

THE LABORERS ARE FEW...
